VIDEO

Persephone's Wolf**for Bambina Borracha Productions**

Persephone's Wolf was a new Australian play and gallery installation that launched Bambina Borracha Productions. The project involved film shoots, animation and the extensive use of archival footage. The gallery installation involved seven projects by outstanding Sydney-based artists exploring the themes and stories of the play. Work included audio mixing, video animation and editing, as well as the integration of all projects into the exhibition.

Exhibited:

CarriageWorks Arts Centre, 2008

Adelaide Fringe Festival 2008

Six Somersaults

www.acmi.net.au/explore_newmediaonline.htm

This online documentary took the form of a highly dynamic, interactive website with integrated flash video, exploring the life of notorious Australian economist Helen Hughes.

Exhibited:

Australian Centre for the Moving Image, since 2005

30 Years of Ideas for the Centre**for Centre for Independent Studies**

Australia's leading thinktank, the Centre for Independent Studies commissioned a commemorative video for the institution's 30 year anniversary.

With a voice-over by Bob Carr, the video involved extensive interviews with leading politicians and academics, and the splicing of hundreds of archives.

Exhibited:

'30 Years of Ideas' Gala Dinner 2005, in the presence of then Prime Minister John Howard.

Still here. Still fighting**For National Union of Students**

Having its 20th Anniversary, the peak representative body for students in Australia commissioned this commemorative video for it's gala dinner in 2006. Primarily using television news archives from the Parliamentary Library of Australia, the film spanned 20 years of activism within the student community.

Exhibited:

'Still Here Stilling Fighting' Gala Dinner 2006
